

§ 900.705

5 CFR Ch. I (1–1–01 Edition)

(4) A recipient may not, in determining the site or location of a facility, make selections:

(i) That have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives or benefits from Federal financial assistance, or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) Recipients shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

(e) Recipients shall take appropriate steps to ensure that communications with their applicants, employees and beneficiaries are available to persons with impaired vision and hearing.

§ 900.705 Program accessibility.

(a) No qualified handicapped person shall, because a recipient's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in or otherwise be subjected to discrimination under any program or activity to which this subpart applies.

(b) A recipient shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons. Where structural changes are necessary to make programs or activities in existing facilities accessible, such changes shall be made as soon as practicable, but in no

event later than three years after the effective date of the regulation.

(c) A recipient may comply with the requirements of paragraph (b) of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, alteration of facilities or any other methods that result in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section.

(d) New facilities shall be designed and constructed to be readily accessible to and usable by handicapped persons. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(e) In the event that structural changes to facilities are necessary to meet the requirements of this section, a recipient shall develop within 12 months of the effective date of this subpart a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons.

(f)(1) Effective as of August 23, 1990. Design, construction, or alteration of buildings in conformance with sections 3–8 of the Uniform Federal Accessibility Standards (UFAS) (appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence

therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§ 900.706 Employment practices.

(a) *General.* (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under a program or activity that receives or benefits from Federal financial assistance from OPM.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this subpart applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) The prohibition against discrimination in employment applies to the following activities:

(i) Recruitment, advertising, and the processing of applications for employment;

(ii) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(iv) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(v) Leaves of absence, sick leave, or any other leave;

(vi) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(vii) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(viii) Employer sponsored activities, including social or recreational programs; and

(ix) Any other term, condition, or privilege of employment.

(4) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeship programs.

(b) *Reasonable accommodation.* (1) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee under any program or activity receiving Federal financial assistance from OPM unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(2) Reasonable accommodation may include, but shall not be limited to, making facilities readily accessible to and usable by handicapped persons, acquisition or modification of equipment or devices, appropriate adjustment or modification of examinations, the provision of readers and interpreters, job restructuring and providing part-time or modified work schedules and other similar actions.

(3) In determining pursuant to paragraph (b)(1) of this section whether an accommodation would impose an undue hardship on the operation of the recipient in question, factors to be considered by OPM include:

(i) The overall size of the recipient's program with respect to the number of employees, number and type of facilities and size of budget;

(ii) The type of operation, including the composition and structure of the work force; and

(iii) The nature and the cost of the accommodation.

(c) *Employment criteria.* (1) A recipient involved in activities receiving Federal financial assistance may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or
